Hello to you both,

.....
We had a wonderful time, enjoyed the area, and will recommend you to family and friends. Gladys and myself are buying a villa near Lake Vinuela, Puente de Don Manuel, and will be travelling down to Torrox now we know how nice it is, and we may even see you there one day in the future. We are due to move in between September and December, and it was nice to see it beginning to take shape in the building. FONTDIV
